Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

The SAC supported the school's *Student Success Plan (SSP)*.

Literacy:

- regularly reviewed data related to the students' success in meeting grade level benchmarks in reading, particularly at the grade P-2 level.
- participated in learning about such instructional strategies as guided reading, small group instruction, leveled books, and effective assessment practices.

Math:

- regularly reviewed student achievement data related to the school's math goal

Well-being:

- spent time discussing strategies to support student well-being; data from the student surveys were used to inform these discussions.

Please list any significant milestones and success stories that the SAC would like to highlight.

Speed feedback device near DSES is now working. This sign has reduced the speed of many vehicles travelling in front of DSES.

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).

Principal and SAC chair attended a meeting at Musquodoboit Rural High School in November. The information session revolved around curriculum and culturally responsive teaching. This information was shared with the SAC in December.

SAC Chair gave input into the selection of a new principal- Tina Richard
